

Host: Central Florida Women's Resource Center

Location: Center for Drugfree Living, William Just Center
1405 West Michigan St.
Orlando, FL 32805 US

When: Saturday, August 7, 9:00AM to 5:00PM

Phone: 407.426.7960

Women's Resource Center members and supporters... you have asked for a "hands on" renovation project and now it is HERE!

We have organized two 1/2 day project work shifts (9 a.m. - 1 p.m. and 12 noon - 5 p.m.). Lunch will be served from noon-1p.m. for all volunteers! Plan on joining us for the morning or afternoon work project.

Help make a difference in women's lives by redecorating individual bedrooms at the William Just Center (Housing Opportunities for People with AIDS).

We ask you to participate in this "hands on" day of work and/or make a financial contribution toward our project costs. We have many donations of paint, supplies etc. and need help fulfilling our Target Wish List for linens and other bedroom/bathroom items.

We have registered our "room decorating" project wish list with Target and you can purchase online or in the store. To purchase from the Target Gift Registration (online or in-store) use the "select by organization" option and use the organization name "Womens Resource Center." To make a contribution via gift card, check or money order contact Mimi Mora at the Central Florida Women's Resource Center.

PLEASE include your preferred volunteer work time in your RSVP: 9a.m.-1p.m. or noon-5p.m. Thank you and hope to see YOU on August 7th!
